About the Directory

This directory is comprised of local companies that agents of Trillium Properties of Asheville or their clients have used for services related to buying/selling a home, home maintenance, repairs, construction, or for household services. Although we are supplying the list, we cannot personally guarantee your satisfaction when using these service providers. Not every experience will be positive, so please let us know if you are unhappy with a service provider so that we can remove from our list.

We accept no liability for the information provided.
